[Supplementary explanation about sales (or items equivalent to sales)]

In addition to the reasons described in the summary of the individual financial statement, there was little growth in volume and the sales price kept going down in each market, in Taiwan and other countries. Meanwhile, with the newly consolidated companies, the products were affected by seasonal influences and it affected the figure in the third quarter.

(2) Events that had substantial influence on the financial state and operating results of the corporate group in the quarter.

[Empty dashed box for supplementary explanation]

3. Earnings forecast revision

There is no revision to the earnings forecast.
