

# UTP-RL6E15

CAT6 3 in 1 Retractable Cable

UTP-RL6E15 is convenient to carrying. You put in the pocket in traveling and for business trip. In addition with the expansion and contraction cable from troublesomeness of tidying up are opened. CAT6 straight it is receipt and mobile both corresponding LAN cable.

## Features

### ■ Straight/Cross both correspondence

UTP-RL6E15 is corresponding in both of straight and the cross cable, between PC and between the switches, as the switch and the connector cable of PC according to need and, selecting wiring type not to adhere to environment, it is possible to utilize.

### ■ The adjustment of cable length is possible simply

UTP-RL6E15 is retractable that you pulled cable length easily, when it utilizes, (as the cable extension longest approximately 1.3m) Wiring which will be clear without wastefulness becomes possible. In addition, gigabit communication is possible with CAT6 correspondence.

## Product View

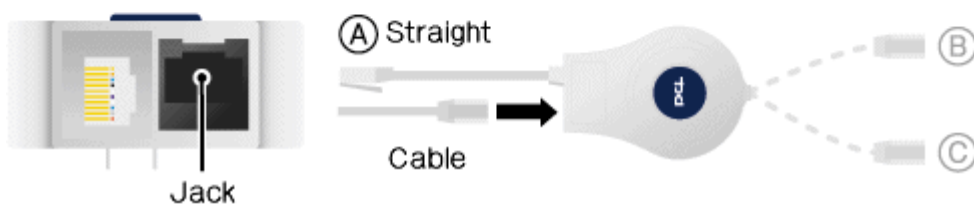

### Straight-Through(C) or Crossover (B)

Sample

	PC - PC	Ⓐ - Ⓑ ( Cross )
	Switch - Switch	Ⓐ - Ⓑ ( Cross )
	Switch - PC	Ⓐ - Ⓒ ( Straight )

### UTP-RL6E15 can be the cable extension (max. approximately 1.3m)

## Specification

<b>Model</b>	<b>UTP-RL6E15</b>
<b>Support standard</b>	IEEE802.3 (10BASE-T) , IEEE802.3u (100BASE-TX) , IEEE802.3ab (1000BASE-T)
<b>Throughput</b>	10BASE-T / 10Mbps 100BASE-TX / 100Mbps 1000BASE-T / 1000Mbps
<b>Cable standard</b>	Cat. 6UTP cable (RJ-45)
<b>Cable method</b>	Straight / Cross
<b>Connector type</b>	RJ-45 connector (malex3, femalex1)
<b>Length</b>	About 1.3m (extend)
<b>Dimension</b>	60 (W) x24 (H) x83 (D) mm (without cable)
<b>Weight</b>	About 80g
